DECEMBER 2012
SECTION 1
QUESTION ONE

Wananchi Bicycles Limited specializes and building customized bicycles to meet the specific needs of mountain bike racing professionals.

The company has earned a reputation of designing the best mountain bikes in the world because of its founder and master designer, Hassan Wa Baiskeli, a great entrepreneur.

Since the company started in the year 2002, 70% of all the greatest mountain bike races in the world have been won by cyclists using bicycles designed by Wananchi Bicycles Limited. Wananchi Bicycles Limited intensified its marketing activities from 2007. The marketing budget has since grown four fold.

To generate business ideas, the company has cultivated a culture of involving all the employees through focus group discussions. As more and more people gain interest in competitive cycling, the demand for custom built bicycles is expected to increase significantly going by the performance of Wananchi Bicycles Limited. During the year 2012 London Olympics games, mountain bikes racing was one of the competitive sports. The sales for the custom built bicycles are expected to increase exponentially next year.

To meet the expected demand for custom built racing bicycles that can handle mountain riding as well as road racing, Wananchi Bicycles Limited is seeking for additional financing to enable the company add new workstations and hire additional designers. If this investment is made, marketing projections and written commitments from several mountain bikes racing teams will result in increase in sales by 150% next year. This increase translates into sales revenue of sh. 200,000,000. To achieve the target sales, the company plans to undertake extensive marketing activities.
